Subject - Payment of the bill for Rs 910/- to Mr R Venkataswamy, Contractor for supplying fuel to the Bangalore City Municipality

---

With reference to your letter No L 5187 dated 26th October 1946 on the above subject I have the honor to state that the claim being a bonafide one the Municipal Council have accepted this and further resolved that the bill may be paid As such the bill was presented to the Auditor for passing it for payment He requires (1) the supply order, (2) stock certificate and accounts relating to the sale proceeds of the quantity of fuel in question

As already reported in this office letter No A6 371 of 46 dated 6-9-1946, the scare for the supply of the fuel was very great, motor vehicles and petrol and the contractors to supply fuel could not be secured easily As such all possible attempts had to be made to afford relief to the public urgently Therefore the co-operation of the Municipal Councillors and non-officials was sought for and all possible arrangements for getting the supply of fuel and for selling it to the people were made with the existing staff who worked very late evening during nights in the beginning It was not possible to take the fuel supplied by Mr R Venkataswamy on the stock register and account for it separately The then Commissioner issued instructions

through Mr M V Veerappa (Municipal Councillor) to Mr R Venkataswamy to supply fuel The realisations from the sale of fuel supplied by Mr.Venkataswamy have been included along with the sale proceeds of casurina fuel brought from the Municipal Swimming Pool which amount to Rs 5,952-2-8 as noted in Statement E, sent with this office letter No A9 C 530/44 dated 8th August 1945
